Leebcor Services awarded five-year Navy MACC in the Hampton Roads area

WILLIAMSBURG – August 28, 2012 – Leebcor Services, LLC is one of six service disabled veteran owned small businesses to be included in the award of a Multiple Award Contract for Construction (MACC) in the Hampton Roads area. The total value of the contract is estimated at \$40 million, to be dispersed over a five year period.

Anticipated projects under this contract will be both design-build and design-bid-build, and constructed at naval stations in the Hampton Roads area, including, but not limited to, NAS Oceana and Naval Station Norfolk.

The first project under this Navy MACC, the replacement of converters at NAS Oceana, has already been awarded to a competing firm.

Local design firm Guernsey Tingle Architects has teamed with Leebcor Services to provide services for potential projects that require new design.

Leebcor Services, LLC is a general contractor located in Williamsburg, Va., dealing primarily in design-build and government contracts. For more information on Leebcor Services, LLC, visit www.leebcorservices.com.

Guernsey Tingle Architects is a local design firm whose past projects include the New Town Design Center, Williamsburg Chamber of Commerce building and the Williamsburg Environmental Group building.
