Leebcor Services awarded construction contract at Ralph H. Johnson VA Medical Center

**WILLIAMSBURG** – October 2, 2012 – Leebcor Services LLC has been awarded an \$8.2 million contract from the United States Department of Veteran's Affairs for the construction of a research facility for veterans suffering from post-traumatic stress disorder and mental illness at the Ralph H. Johnson Veterans Affairs Medical Center in Charleston, S.C.

The proposed 19,000-square-foot addition will be built adjacent to existing structures at the Ralph H. Johnson Medical Center, with construction anticipated to begin later this year.

Construction on this addition will not hinder or limit everyday operations of the medical center.

Design on this bid-build project was completed by Lindbergh and Associates, LLC, an architectural engineering firm based in Charleston, S.C.

Leebcor Services, LLC is a general contractor located in Williamsburg, Va., dealing primarily in design-build and government contracts. For more information on Leebcor Services, LLC, visit [www.leebcorservices.com](http://www.leebcorservices.com).
