Leebcor Services' year-end awards top \$40 million

WILLIAMSBURG – October 2018 – Leebcor Services, LLC (Leebcor) was awarded three task order contracts for projects in Florida and Georgia in September 2018 as part of the government's year-end.

The first project includes the new construction of 32,000 square-foot one-story Naval Operations Support Center at Fort Gordon, Ga. This project, with a construction value of \$12 million, will break ground in early 2019 with completion in January 2020. The Naval Operations Support Center was awarded as a task order under an existing contract with Naval Facilities Engineering Command, Southeast Division.

Leebcor was also awarded a \$12 million contract for the new construction of a one-story facility to house a flight simulator and fuselage facility at Hurlburt Field, Fla. Construction on this Support Operations Facility Simulator and Fuselage Facility will begin in early 2019 with scheduled completion in January 2020.

On Sept. 30, Leebcor was awarded a \$18 million contract to construct a Multipurpose Training Range at Eglin Air Force Base, Fla. This project will include extensive sitework and the construction of multiple range operations and control area facilities. Construction is slated to begin in early 2019 with completion in the spring of 2020.

The Multipurpose Training Range, and Support Operations Facility Simulator and Fuselage Facility were awarded as separate task orders under an existing contract with the U.S. Army Corps of Engineers, Mobile District.
